

Support for people with

## Tourette Syndrome

Whether you are newly diagnosed or seeking further support, Tourettes Action can offer a wide range of services including:

- ✦ Information leaflets
- ✦ School training and support
- ✦ Events and training courses
- ✦ Support groups
- ✦ Befriending service
- ✦ TS ID cards

Tourette Syndrome is:

- ✦ a neurological condition
- ✦ a combination of involuntary motor and vocal tics
- ✦ much more than just tics
  - people with TS commonly have other conditions, typically OCD, anxiety and ADHD
